FROZEN PIZZA DOUGH BALLS

Frozen pizza dough ball comes with no disadvantages (except maybe owning a freezer!)

What it provides instead, it's great pros and consistency, but how?

- Consistent product 365 days all year round
- Vastly reduces your stock (no more messy flour bags around)
- Over 15/20 hours per week saved in your staff rota

FROZEN PIZZA BASES

Our Pizza bases (with or without tomato sauce) taste and look like an authentic pizza with a nice crust.

- Consistent product 365 days all year round
- Pizza base can be cooked from frozen so there is no wastage
- No pizza chef is required as we do the job for you
- No pizza oven is needed
- One person can cook over 240 pizzas per hour

OTHER FROZEN PRODUCTS

- Frozen Focaccia that can be served as a side dish or stuffed as a sandwich
- Frozen Piadina or Wrap
- All our products can be made with wholemeal flour or vegetable charcoal flour

This is an actual picture of our
frozen pizza bases
