STATEMENT OF GRANT OF PROTECTION

(Rule 18bis of the Common Regulations under the Hague Agreement)

The above-identified U.S. patent issued from an international design application. The international registration number corresponding to the international design application is:

DM/207185

The International Bureau is hereby notified that upon issuance of the above-referenced U.S. patent protection is granted in the United States to those industrial design or designs that are the subject of the international registration, as received from the International Bureau or, where applicable, as amended before the Office, and covered by the patent. A copy of the above-identified U.S. patent is communicated with and forms part of this statement.
