

Portable Pole 2 & XL-Portable Pole 3 Rolling Sign Bases

Stabilizer
Mounting
Plates keep
sign from
wobbling in
wind.

Finial on top of
pole provides
a comfortable
handle for
gripping the
sign when
moving from
place to place.

Predrilled pole provides
holes to accommodate
various sizes of sign
panels.

Large 3" wheels
are great for
rolling sign over
rough pavement and
up and down steps.

Add up to 3 gallons of water or
sand for added stability.
