

How to Make a Diwali Lantern

1 Print out the last page on a 8.5" x 11" paper for the best results. Print in color to bring the rangoli designs to life.

2 Cut along the entire dotted horizontal line along the bottom of the page, and place the strip aside. Save this because you will need it later!

3 Take the remaining sheet of paper and fold it in half along the long side.

How to Make a Diwali Lantern

4 Keep the page folded as you cut along the dotted lines.

- Once all of the lines

5 are cut, open the page, and now fold it along the short side.

Tape the two ends and the middle of the sheet to secure it.

- Now, tape or glue the

6 strip you cut in step 2 to either end of the lantern.
