## 2023 ADELAIDE HILLS PINOT NOIR

### Vineyard

Small parcels of outstanding fruit were hand-selected from a premium cool-climate Adelaide Hills vineyard situated 400m above sea level. The soil type is predominantly sandy loam which provides good drainage. Environmentally friendly viticulture, low yield and exceptional fruit is an excellent combination for our winemaking.

### Winemaking Notes

Cold fermented over 7-10 days with indigenous yeast (wild ferment), a portion had whole bunches of fruit, closely monitored to ensure the wine retains its natural fruit expression. Seasoned French oak was used for selected wine parcels for a period of 6 months. Each barrel is assessed and then blended to create a wine with lovely aromatics, depth of flavour, style and balance.

### Vintage Overview

2023 season was cooler than the usual conditions. Yields were generally low and this did result in some excellent parcels of fruit being harvested. Vine-balance was carefully monitored, resulting in fruit that demonstrates the vibrancy and fruit derived characters that we strive for in our wines.

### Tasting Notes

Vibrant red & blue berry aromas are complemented with subtle spice. This depth of aroma transitions seamlessly to the medium bodied wine, with cherry & plum flavour on the palate and a lingering silky finish.

### Production Statistics

Bottling Date: 12.10.2023

Sizes: 750 ml

Region (GI): Adelaide Hills

Varietal composition: Pinot Noir

Alcohol: 13.5% alc/Vol

CSPC: 9327847007124

ALLERGENS: Minimal Sulphur Dioxide added.

Morambro Creek Wines – Padthaway, South Australia
