How to connect your West Kent 15 pod Smart Garden

Step 1: Install the smart life app from the app store or scan the QR code for the link to it.

Step 2: Once the app is installed open it up and sign up.

Step 5: Go to your smart life

Step 3: Once you have finished the sign-up process and logged in, go to your machine and turn the LCD display on by tapping any of the buttons, apart from the power button.

Step 4: Once the machine LCD is on, hold down the setup button until you hear a longer beep.

Step 6: Wait for your device to pop up

Step 7: Tap on add device (further instructions on other side of paper)

Step 8: Once you have tapped add device, It will ask for your WIFI password.
