

# Woodoc Deep Penetrating Furniture Wax Specification Sheet

## Typical Application:

A liquid maintenance wax for use on all indoor woodwork. This product cleans and nourishes wood effectively in spite of the presence of waxes, oils, varnishes or sealers. **Note: If the product is used on wooden floors, apply very sparingly as the surface can become slippery.**

## Product Features:

Woodoc Deep Penetrating Furniture Wax will protect furniture and woodwork against severe moisture and environmental changes, such as experienced with changes in season, and while furniture or woodwork is in transit.

- Good water repellent properties.
- Brings out the natural colour and grain of wood.
- For use on all wood types.
- Imparts distinctive elegant sheen to wood.
- No rubbing or polishing is required; merely wipe the product on.
- Non-toxic once dry.
- Compatible with most varnishes, sealers or finishes.
- Unlimited shelf life.
- Complete how-to-use instructions on label.

**No:** WDdpfwax/003EU ENG

**Dated:** 02/10/15
