

Woodoc 10 Specification Sheet

Typical Application:

Suitable for general indoor applications. Woodoc 10 gives a fine finish that is heat-, stain-, alcohol- and water-resistant. Only for interior use. **Not suitable for use on floors.**

Product Features:

Woodoc 10 creates a clear, velvet finish and is the most popular sealer in the interior range. This sealer applies easily, and the gloss of the sealer may be infinitely varied, using different application techniques, from high gloss through "velvet" or semi-gloss, to absolute matt.

- Easy to apply.
- Penetrates wood, binds with it and lends a flexible yet strong and resistant surface finish.
- Suitable for all types of wood.
- Non-toxic once dry.
- Does not affect glue.
- Complete how-to-use instructions on label.

No: WD10/005/EU

Dated: 14/08/12
