## Classic candies for 103 years & counting!

Our company founders

A lot of things can change over a century, but the orchard-fresh taste of Liberty Orchards' original fruit-and-nut confections is not one of them! We still use only the highest quality ingredients... we still slow-cook our candies in small batches... and we still hand-pack every morsel here in the heart of Washington State's orchard country... just like we did when our founders began at the turn of the 20th century. Because once you've created confectionery perfection,

nothing less will do! From our very first candies, Aplets & Cotlets, to our later creations like Fruit Delights, Chocolate-Dipped Fruit Delights, Nut-Free Fruitlets, and Orchard Bars, our dedication to quality is something you can taste in every bite!

And now we've expanded our production to hand-craft Dragée Delights... fruits or nuts covered in chocolate! It's an exacting process which requires plenty of time and patience, but the result is a tempting indulgence you won't want to miss!

One more thing that hasn't changed? Whether you order online at **LibertyOrchards.com** or call us at **1-800-888-5696**, you'll still receive the legendary service we're famous for!

Our decadently rich confections, Dragée Delights... see pg. 10

## Treat yourself to lower prices catalog-wide!

With each passing day our lives are getting more expensive. As more of our money has to go towards basic necessities, there's less money left to spend on treating ourselves and those we care about. So when it came time to look at the prices for our 2023 holiday catalogs, we had a decision to make. We could either **raise** our prices so we could afford to pay for the many products and services we offer... or we could do everything we can to **lower** our prices so that people can afford to buy the candies and gifts they love.

It wasn't a difficult decision to make. If people can't afford to buy our products any more, then we won't be able to keep making them.

So for this holiday season we've **drastically lowered our prices**. Unfortunately, this means we have to eliminate some expensive services and special offers we've had in the past... like free gift cards, free candy, and free gift wrapping... and we've had to streamline our product line for better efficiency. In exchange, our candies are more affordable than they've been in decades... plus get **FREE GROUND SHIPPING on orders over \$20!**

Here's what's new at Liberty Orchards...

### LOWER PRICES

That's right! We've lowered prices on all our products! A 10oz. gift box of Aplets & Cotlets was \$13.95... **NOW** they're just \$6.50 each! And a box of Orchard Bars that was \$23.50... **NOW** they're just \$13.80 a box!

### FREE SHIPPING

Every shipment or gift order within the United States which totals \$20 or more ships with **Ground Shipping FREE!** For shipments outside the 50 US States, please call us at **1-800-888-5696** (1-509-782-1000 outside the US & Canada) for air rates.

### GREAT GIFTS!

We've done our best to make gift-giving as affordable as possible. And while we don't have gift cards and wrapping, we can type a short message on your recipient's pack list to pass along your well-wishes.

### NEW PRODUCTS

Along with the new chocolate dragées from our factory, we're also importing some products from throughout Europe and Asia! See pages 23-30 for these delicious sweets & snacks at prices that can't be beat!

The fresh-and-fruity flavors of Fruit Delights!

Making holiday memories for 103 years!

## Fruit Delights®

Choose the perfect box for any gift-giving occasion!

We take the pure essence of nature's juiciest, most irresistible fruits and blend them with tender chunks of the finest nuts. Then we slow-cook the candy to concentrate the fruit flavors and create our famous silky-smooth consistency with just the right amount of bite. It's a natural treat so smile-inducing we had to call it Fruit Delights! They'll be all grins with these six just-picked flavors: juicy Orange & Almond, bright Raspberry & Pecan, mouth-watering Blueberry & Almond, sunny Pineapple & Macadamia, orchard-fresh Peach & Walnut, and fragrant Strawberry & Walnut. Select the perfect box tied with a gold cord below...

**For your personal snacking!**  
Because our candies are hand-made, sometimes we end up with imperfect pieces, which we bulk-pack at a special price!  
**Value Pack Box**  
#4200 8oz. \$4.15

## Aplets & Cotlets®

Choose the perfect box for any gift-giving occasion!

Since we first began making them over 100 years ago, our signature candies have become a beloved holiday tradition. Our top-seller since 1920, Aplets & Cotlets are created using the blossom-fresh flavor of crisp Washington apples, the tangy goodness of ripe apricots, and the nutty richness of crunchy walnuts. We slow-simmer the premium ingredients to create a smooth, gently chewy texture to our candies that's easy on the teeth and impossible to resist! And we still do most everything by hand, just like our founders did a century ago, so you can taste the nostalgia in every bite. Select the perfect box tied with a gold cord below...

*"You are the master of all candy makers — and this is your masterpiece."*

— P. Lowry • Wichita, KS

*"Everything that I received is just wonderful. My friends also said the same thing. I have never tasted anything so good. I only wish I would have known about your people sooner!"*

— Kay Patterson • Portland, OR

# Come visit us on the Cascade Loop!

*“One of America’s grandest, most spectacular drives.”* —National Geographic Traveler

Did you know that Liberty Orchards, makers of Aplets & Cotlets, is just one stop on The Cascade Loop... Washington State’s ultimate road trip? It’s true! And while our candy factory may be the sweetest attraction, there’s plenty more to see and do nearby when you visit us in downtown Cashmere.

The Cashmere Museum houses an extensive collection of Native American artifacts, relics, antiques, and curios from throughout Central Washington. Their Pioneer Village features twenty original structures from a blacksmith shop and church to a barber shop and the Stoffel water wheel.

Just to the north of us is the Bavarian village of Leavenworth, a festive city with year-round events like Maifest, Autumn Leaf Festival, Oktoberfest, and their famous Christmas Lighting Festival.

To the south is the city of Wenatchee with The Washington Apple Commission Visitor Center and sensational Ohme Gardens overlooking the city.

For more information and to plan *your* ultimate road trip, just visit their site at [CascadeLoop.com](http://CascadeLoop.com)
