# 311 Flower in Flight

**Indulge in a whisper of luxury**

A symphony of softest pink kissed with a hint of lavender. A luminous whisper on your fingertips

# 312 Fluttering Lavender

## Light & fancy

A modern muse for the barely-there look, this calming lilac shade allows your nails to look naturally healthy with a clean, polished and minimal manicure. A breath of fresh air for your nails

# 313 Transparent beauty

## Opalescent Glory

This dreamy white with a play of pink is the perfect balance between delicately transparent and a hint of sheer. It's a blush of cashmere against porcelain

# 314 Sheer Admiration

## Quiet & Elegant

Nothing accentuates your natural nails quite like this healthy glowing pink tinge! Aesthetic confidence, with these clean-girl nails

# 315 Wings of Grace

## Whimsically Beautiful

An ethereal soft powdery lavender meets lilac shade. Unusually peaceful, making it versatile yet dreamy
