

HF13 - TAPERED MEDIUM EYE BLENDER BRUSH

PERFECT FOR:

- Packing glitter and pigments on the lid
- Softening transition shades
- Applying shadow in the crease
- Blending concealer

HF TOP TIP

Apply your favourite shadow to your crease using soft circular motions.

HF14 - FLAWLESS FINISH FOUNDATION BRUSH

PERFECT FOR:

- Foundation
- Cream contour
- Applying skin creams
- Cream blush

HF TOP TIP

Apply your chosen foundation to your face and lightly dab the brush onto your skin for your Facetune finish.

HF15 - MULTI-USE CONCEALER AND POWDER BRUSH

PERFECT FOR:

- Concealer
- Setting powder for smaller areas
- Softening and blending smaller face areas

HF TOP TIP

Use light dabbing motions to blend your chosen concealer product, then sweeping motions to blend. To add further coverage, leave your concealer on the skin for a little longer, then gently dab product into the skin using the brush

HF16 - MULTI-USE CONCEALER, EYE-BASE AND EYESHADOW BRUSH

PERFECT FOR:

- Applying and blending concealer
- Applying eyeshadows
- Patting eye base or primer in
- Covering spots and blemishes
- Applying powder under the eyes

HF TOP TIP

Apply your chosen eye base or concealer, and pat until you get a flawless finish. Use the tip to blend side-to-side and the flat side of the brush to pat.

HF17 - MULTI-USE CREAM BLUSHER BRUSH

PERFECT FOR:

- Cream blusher
- Concealer
- Applying powder
- Applying and blending cream contour

HF TOP TIP

Apply cream/contour sticks to your hand or palette or dip the brush into your cream blush, and dab into skin using light dabbing motions.

HF18 - CREAM CONTOUR AND BLUSH BRUSH

PERFECT FOR:

- Cream contour
- Cream blusher
- Powders (contour / blusher)

HF TOP TIP

When contouring, place the brush at the centre of the ear, guide in slowly towards the tip of the nose with the remaining product use on the jawline, chin, and hairline.

HF19 - LARGE POWDER BRUSH FOR BRONZER, FOUNDATION AND SETTING

PERFECT FOR:

- Setting larger areas of the face
- Applying bronzer
- Powder foundations

HF TOP TIP

Tap your brush into your chosen powder, tap off the excess then use light dabbing motions to set your chosen areas.

HF20 - SMALL SETTING AND BAKING POWDER BRUSH

PERFECT FOR:

- Setting smaller areas of the face
- Baking under the eyes and face
- Defining smaller areas with contour
- Cream blusher

HF TOP TIP

Tap your brush into your chosen powder, tap off the excess then use light dabbing motions to set your chosen areas.

HF21 - SMALL STIPPLING BRUSH

PERFECT FOR:

- Cream blusher and highlighters
- Moisturisers and primers
- Applying powder

HF TOP TIP

Apply liquid highlight or cream to the high point of your face, using circular motions.

HF22- ANGLED CONTOUR & BRONZER POWDER BRUSH

PERFECT FOR:

- Contouring
- Powders
- Sculpting the face
- Blusher

HF TOP TIP

Open your mouth and drop your chin, then apply your favourite bronzer in the hollow area under the cheekbones and blend with the contouring brush.

HF23 - TAPERED POWDER, BLUSHER AND POLISHER BRUSH

PERFECT FOR:

- Blusher
- Loose powders
- Sculpting the face
- Highlighting

HF TOP TIP

Use the tip of the brush to lightly skim blush or highlighter over the face.

HF24 - TAPERED HIGHLIGHTER AND FACE-SHAPER BRUSH

PERFECT FOR:

- Highlighting the face and collarbones
- Applying powder to small areas
- Applying blusher
- Contouring in more detailed areas

HF TOP TIP

Swirl into your favourite highlighter and sweep over the tops of the cheeks, cupid's bow, and brow bones to make your highlighter POP.

HF25 - SOFT CREASE BRUSH

PERFECT FOR:

- Blending shadows
- Applying shadows
- Softening edges and transitions
- Applying highlighter to small areas

HF TOP TIP

Use circular and sweeping motions to blend to perfection.

HF26 - POWDER AND BLUSH BRUSH

PERFECT FOR:

- Blusher
- Loose powder
- Bronzer

HF TOP TIP

Tap the brush into your chosen powder, tap the excess then lightly tap onto your desired area

HF27 - PETITE POWDER BRUSH

PERFECT FOR:

- Loose powders
- Cream products
- Sculpting the face
- Highlighting
- Blusher

HF TOP TIP

Tap the brush into your chosen powder, tap the excess then lightly tap on to your desired area.

HF COSMETICS BRUSH BOOKLET
WITH EXTRA GUIDANCE AND HF TOP TIPS

HF1 - BLENDING AND HIGHLIGHTER BRUSH

PERFECT FOR:

- Blending transition shades
- Blending eyeshadows
- Softening under the eye shadow and concealer
- Highlighting smaller areas of the face

HF TOP TIP

To ensure a seamless blend, dab the brush into a neutral eyeshadow or bronzer, tap off, and apply it as a transition or blend it into the edges of your previously applied shadow.

HF2 - SMALL CREASE BLENDER

PERFECT FOR:

- Applying eyeshadow into the crease
- Detailed eyeshadow looks
- Softening eyeshadow under the eyes
- Softening transition shades

HF TOP TIP

Using your desired eyeshadow, apply your brush and lightly swirl, then tap off. Apply your colour with light circle motions and then sweep the end of the brush lightly from side to side to soften.

HF3 - SKINNY CREASE BLENDER

PERFECT FOR:

- Defining the crease and adding depth
- Blending eyeshadows
- Smoking the lash line
- Seamless blending

HF TOP TIP

Use sweeping motions to blend your eyeshadow for a flawless finish.

HF4 - SOFT EYE DEFINER BRUSH

PERFECT FOR:

- Placing shadow, pigments, and glitter on the lid
- Blending into the crease
- Smoothing transitions and softening edges
- Applying the lowest shadow under the eye

HF TOP TIP

Use sweeping motions to blend your eyeshadow for a flawless finish.

HF5 - SMOKEY EYE SHADER AND APPLICATOR BRUSH

PERFECT FOR:

- Smoking shadow under the eye
- Building and pressing colour on the lid
- Distributing colour into the crease
- Smoking the lower and upper lash line

HF TOP TIP

Apply this brush to your chosen eyeshadow and tap off any excess. Using light pressure, press the shadow onto your lid with the flat side of the brush for an effortless look.

HF6 - PETITE EYE CREASE BRUSH

PERFECT FOR:

- Applying colour to small areas of the eye
- Smoking shadow under the eyes
- Applying highlighter / glitter to the tear duct
- Softening transitions shades

HF TOP TIP

Use the tip of the brush to define your desired shape.

HF7 - EYE PENCIL BRUSH

PERFECT FOR:

- Detailed work on the eyes
- Highlighting the inner corner of the eye / brow bone
- Smudging pencils on and under the eye
- Smudging powders on and under the eye

HF TOP TIP

To finish your eye make-up, use a light-coloured shimmery eyeshadow to the inner corners of your eyes, brow bone or the middle of the lids to highlight.

HF31 - CONCEALER, CARVING AND CUTTING BRUSH

PERFECT FOR:

- Cutting the crease
- Cleaning up lipstick/liner (concealer on brush)
- Carving the brows
- Applying concealer/ foundation

HF TOP TIP

Use the rounded angle of the brush to neaten and sharpen your lipliner and lipstick, using concealer.

HF33 - FLAT EYE DEFINER & LINE SMUDGER BRUSH

PERFECT FOR:

- Lining the lash line with shadow/gel
- Smudging eyeshadow on lash line
- Applying shadow/gel on water line and typeline
- Applying highlight to brow bone
- Sharpening winged liner with concealer

HF TOP TIP

Apply the chosen eyeshadow to your brush, tap off the excess then wiggle side-to-side underneath your lash line.

HF10 - LIP AND EYE SMUDGER BRUSH

PERFECT FOR:

- Applying lipsticks and lip glosses
- Applying highlighter to the inner corner and browbone
- Smudging eyeshadow/liner
- Smoking the lower and upper lash line

HF TOP TIP

Apply your favourite highlight to your brow bone using light pressure back and forth.

HF11 - EYEBROW AND EYELINER BRUSH WITH SPOOLIE

PERFECT FOR:

- Applying gel/shadow to the eyebrows
- Perfecting hair strokes in the brows
- Winged liner
- Applying liner

HF TOP TIP

Apply gel to your brush and flatten both sides on your palette or the back of your hand to make sure it is super flat before application.

HF12 - TAPERED MINI BLENDER BRUSH

PERFECT FOR:

- Creating depth and definition in the crease
- Smoking the under eye and lash line
- Packing colour on the lid
- Blending colours together on the lid

HF TOP TIP

Apply your shadow in small circular motions in your desired shape for a flawless finish.

HF28 - PAW PRINT PERFECTOR

PERFECT FOR:

- Cream contour
- Cream blush
- Powder
- Highlighter
- Cream highlight

HF TOP TIP

Use light dabbing motions to apply your chosen powder into the smaller areas of your face..

HF29 - BIG BLENDER EYE BRUSH

PERFECT FOR:

- Blending transition shades
- Blending eyeshadows
- Softening under the eye shadow and concealer
- Highlighting smaller areas of the face

HF TOP TIP

To ensure a seamless blend, dab the brush into a eyeshadow or bronzer, tap off, and apply it as a transition or blend it into the edges of your previously applied shadow.

HF34 - JUST WINGIN IT LINER BRUSH

PERFECT FOR:

- Gel
- Cream
- Liquid
- Powder products

HF TOP TIP

Using your desired gel liner, apply to a palette or the back of your hand and take excess off then apply to your chosen area, for a precise wing use the tip to lightly get the perfect point!
