

**Lindhaus LB4
 Electric Back Pack Vacuum w/ wand and floor tool**

The production of Lindhaus cleaning machines began in the mid 80's with only one purpose: to design and build the best multi-functional carpet cleaners for domestic and professional use worldwide. The machine design and styling are developed in the company using the best 3D software: ProE, CATIA. The moulds for the plastic parts are designed and largely built by Lindhaus in its mechanical department. Lindhaus has been selected by several prestigious organizations such as US government buildings

Order # 228-2877

Specifications	LB4
Vac motor	700W
Air Volume	110 cfm
Cleaning width	11 in (28 cm)
Weight	3.8 kilos
Noise level	69 dbA
Filter capacity	4.5 L
Dimensions	9 x 9 x 19.5 cm

- Ideal for difficult to reach areas
- 5-stage filtration system
- Battery version equipped with 36V Lithium Ion battery for long runtime

- Super light
- Ergonomic handle and aluminum telescopic wand
- Electric version with 33 foot cable for non-stop work
