

Smart 360: SMT-S10 Robot

With hidden LiDARs, this robot cleans narrow spaces smoothly and thoroughly, doesn't get stuck and avoids collisions. Carpet Cleaning Mode 4.0 identifies carpets automatically and accurately. Deep cleans with just one click and bypasses carpets when mopping.

New
Equipment

Order # 299-0002

Specifications	SMT-S10 Robot
Dimensions (l x w x h)	13.78 x 13.75 x 3.35 inches
Weight	8.48 lbs
Voltage	14.52V
Power	30W

Specifications	SMT-S10 Dock
Dimensions (l x w x h)	8.66 x 6.02 x 3.94 inches
Power	24W
Output	24W

- 3300 Pa
- Triple eye LiDAR
- 3D mapping

- 3D D to F detection
- Ultra-thin design
- 520 ml water tank
