

Printing Instructions

Thank you for downloading the Blood Circulation Poster!
This PDF includes two size options for your convenience:

HOME PRINTING (8.5x11 inches):

[Click this link to download the 8.5x11 inch poster](#)

- This version is formatted for standard letter-size paper, perfect for printing at home or in an office.
- Simply use your home printer and select “Fit to Page” in your print settings to ensure it prints correctly.

PROFESSIONAL PRINTING (18x24 inches):

[Click this link to download the 18x24 inch poster](#)

- For a larger, poster-size version, take this file to a professional print shop.
- Be sure to provide them with the 18x24-inch PDF file and request a high-quality print.

You Got This, Future Nurse!
