CONCIERGE

SPRING 2024

BOXFOX HISTORY

WOMEN OWNED, SELF FUNDED, SINCE 2014

Since launching in 2014, we've perfected the ultimate direct-to-consumer online shop, enabling personal and well-presented gifting with all the best brands in one place.

We expanded to corporate gifting with premier service, inclusive of ultra-customizable products, packaging, and project management.

Founded, owned, and operated by two best friends, Chelsea Shannon and Jenni Olivero.

YOU WILL NEVER MEET A TEAM LIKE OURS

GENEROUS

We stand behind giving, without expectation: to our employees, our customers, and our clients.

HUMAN

Curated, packed, and powered by humans for a more humane world.

THOUGHTFUL

We curate and create the best in form meets function. Always elevated and well-appointed.

RESOURCEFUL

We find a solution when things go awry. Customers, vendors, clients, partners - we get it right and we get it there on time.

PIONEERING

We reinvented gifting for the modern age, and every innovation stems from that mission.

GIFT YOUR VALUES

Whatever your priority or initiative, let us help you shop and gift with intention. We're particularly adept at sourcing from women owned, BIPOC owned, eco-friendly, and philanthropic brands and can prioritize products that echo your most important values.

WHY WE'RE DIFFERENT

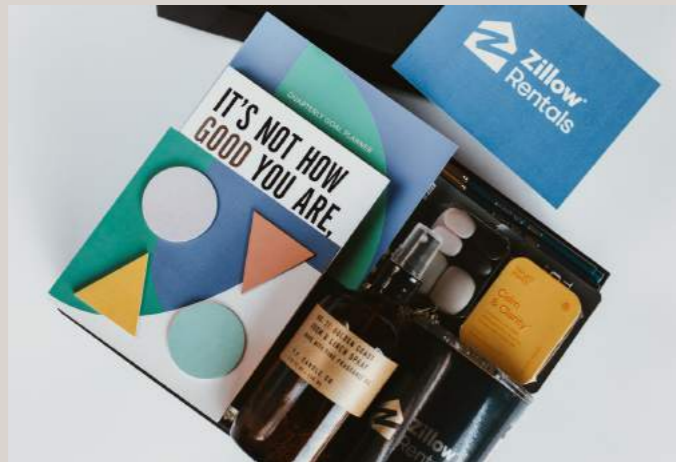

TAILORED TO YOUR PROJECT NEEDS

Every unique project is specifically curated to your budget, recipient demographic, and use-case. We build custom proposals for every project to ensure that no two gifts are the same.

TRUST YOUR GIFTING EXPERTS

Our team of expert gifting curators are backed by both consumer purchase behavior analytics and trend forecasting. Our 9 years of gifting experience, selling to both corporate clients and day-to-day consumers themselves, have built an arsenal of data on what people truly want. Trust us to help you gift a box that aligns with your brand, fits in your budget, and gets there right on time.
