# That Feels Earthmazing!

Nature needs your help!

Our planet is getting warmer.

That means we will see less magical  
animals and plants.

It will be too hot for them!

But we can stop the earth heating up.  
Then we can win back the wildlife!

These colourful creatures will  
show you how.

Helping feels earthmazing!

Look out for the lightbulbs for fun facts!

I'm refusing!

And that feels earthmazing!

**Refusing** toys and sweets helps tidy the planet.

**Refusing** helps to save money.

The council can tell you what resources can be recycled!

I'm moving.

By going  
outside and  
moving you  
will see more  
animals!

And that feels earthmazing!

You don't need a car to keep **moving**!

**Moving** without a car keeps animals safe.

**Moving** without a car keeps the air clean.

**Moving** without a car makes you feel good!

You can move by walking  
or biking to school.

I'm saving water.

Water keeps us and the planet cool. It's important we save it!

And that feels earthmazing!

Saving **water** helps keep our rivers healthy.

Saving **water** stops rivers going dry.

Saving **water** helps to save money.

Saving **water** saves on natural resources.

You can save water by having showers instead of baths!

I'm helping **nature.**

Nature  
provides food  
and shelter  
for the  
animals.

And that feels earthmazing!

**Nature** is the plants and animals around us!

Helping **nature** makes animals grow strong.

Helping **nature** helps keep the air clean.

And that feels earthmazing!

Feeding the **animals** helps them grow strong.

Feeding **animals** helps them feel good.

Feeding **animals** helps keep the land healthy.

Feeding **animals** helps plants grow.

You can feed the animals by putting out bird food.

I'm cleaning up.

We can clean up plastic. This stops it going into the sea.

And that feels earthmazing!

Cleaning up resources protects the land.

Cleaning up stops animals getting stuck.

Cleaning up keeps the land nice and tidy.

Cleaning up keeps water animals happy.

You can clean up by helping with beach cleans.

I'm playing with planet friendly toys.

And that feels earthmazing!

Planet friendly toys can be made at home!

Planet friendly toys help protect the land.

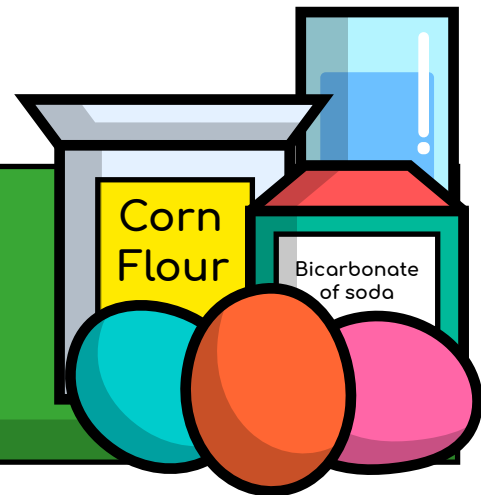

Planet friendly toys help keep the air clean.

Planet friendly toys use less resources.

Home made play dough is a planet friendly fun toy!

I'm talking to my friends.

And that feels earthmazing!

You can talk to your **friends** to see if they can help.

Talking to your **friends** helps you learn things.

Talking to your **friends** helps you feel good.

Talking to your **friends** makes them aware.

You can talk to your friends about helping the animals.

I'm doing my **best**  
one day at a time.

And that also feels earthmazing!

# That Feels Earthmazing!

The colourful creatures hope you enjoy their ideas!

Together we can help wildlife and the animals.

We can help the planet stay cool.

Let's bring back nature's magic!

It can be fun to help too.

It makes us feel good...

...and earthmazing!

Nature needs your help!  
Read this book to find out how.

That Feels Earthmazing is a gentle guide showing children how they can help the environment. Each idea is illustrated with a colourful creature!
