

WINE SPECIFICATIONS

IGP Méditerranée Rosé | 12.5%

All Pink Diesel has been handpicked from a small, family run vineyard in the Provence region. Pink Diesel work with a vineyard that cultivates the most beautiful grape varieties, in Bandol and Côtes de Provence appellations.

GRAPE VARIETIES:

35% Syrah 35% Grenache 30% Cinsault

SERVING TEMP:

10 °c - 12 °c

PAIRINGS:

One of the things that sets Pink Diesel apart is its versatility. It pairs well with a variety of foods, making it a perfect choice for both casual dinners and formal occasions. It also has a moderate alcohol content, making it suitable for a range of occasions.

TASTING NOTES:

A crisp and delicate rosé wine with sweet peach & honey notes on the pallet. The nose is fresh with citrus aromas and each sip is as refreshing as the last.

VINIFICATION:

A cold skin maceration followed by a direct pressing with controlled temperatures. The fermentation is done in stainless steel tanks.

COLOUR:

Pale, salmon pink hues
