

Content Ninja

Location: Hingham, MA
Experience: 0-3 years
Start Date: Immediately

Job description:

We have an amazing opportunity to expand our approach to content. Help us evolve the way we interact with our growing global community.

The NOBULL Content Ninja will be involved in various aspects of content creation and post production for both photography and video.

Helpful skills include:

- Fluency in content capture for both photography and video
- Strong editing and post production skills
- Great sense of visual composition and type integration

What You Should Know:

NOBULL is a footwear, apparel and accessory training brand. The company is comprised of a small team of bright, passionate, and hardworking individuals. NOBULL's mission is to create a globally disruptive brand by developing simply innovative products that perform for our customers.

Traits:

The Content Ninja should have the ability to multi-task, often on short timelines. We also have an “all hands on deck” mentality where everybody helps out on everything, when needed.

- Resourceful and enthusiastic
- Ability to thrive in a fast-paced environment
- Strong written and verbal communication skills
- Entrepreneurial spirit
- Attention to detail
