

## Design Ninja

Location: Hingham, MA  
Experience: 0-3 years  
Start Date: Immediately

### Job description:

We are looking for a well rounded designer to join our growing team and help shape the future of our brand. The NOBULL Design Ninja will be involved in various aspects of our production creation and branding process with a focus on graphic design and visual communication.

Helpful skills include:

- Strong graphic design & visual communication skills
- Product design experience would be an added bonus
- Fluency in Photoshop and Illustrator is a must
- Photo and video capabilities for content creation

### What You Should Know:

NOBULL is a footwear, apparel and accessory training brand. The company is comprised of a small team of bright, passionate, and hardworking individuals. NOBULL's mission is to create a globally disruptive brand by developing simply innovative products that perform for our customers.

### Traits:

The Design Ninja should have the ability to multi-task, often on short timelines. We also have an "all hands on deck" mentality where everybody helps out on everything, when needed.

- Resourceful and enthusiastic
- Ability to thrive in a fast-paced environment
- Strong written and verbal communication skills
- Entrepreneurial spirit
- Attention to detail

### How to apply:
