

The eDW BIG BUNDLE Kit List
TD-17

Please note: Due to the limited user sample memory of the TD-17 module, not all of these kits will fit on the module at once. You can create multiple backups on your SD card to accommodate all kits. See the “Memory Management” section of the *TCJBop, Slated Room or Famous: METAL manuals* or page 21 of your TD-17 Owner’s Manual for more information.
