GIFTS FOR THE:

Skincare junkie

Natural Skincare range with a unique blend of ancient ayurvedic herbs and modern plant-based skin superfoods. The essence of our brand lies in the philosophy of making skincare simple for every mum to build collagen and elasticity to enhance your skin health. Our products are all handmade, freshly prepared, free from harmful chemicals and cruelty-free but most importantly healthy for your skin. If you are looking for a solution for stretch marks, dry skin, oil imbalance, acne, dehydration, we have a solution for all.

GIFTS FOR THE:

Stylist

Welcome to Soleterra Handmade, where we love to create unique and stylish pieces for you and your home . Our eco friendly homewares are individually handcrafted meaning no two pieces are the same.

We use a non toxic Australian made water-based acrylic resin, and pride ourselves on minimal waste as any mix left over is used to make new pieces. At Soleterra Handmade we offer custom made pieces if you would like something unique for yourself,home,office or a gift for that someone special .

Zen queen

Danielle is a holistic practitioner specialising in Reiki, Sound Healing, Hypnotherapy, and Coaching. Her techniques aim to promote physical, emotional, and spiritual healing by restoring the body's natural energy balance, inducing relaxation through sound vibrations, accessing the subconscious mind to create positive changes, and supporting individuals to achieve their personal and professional goals. With her customised approach, Danielle collaborates with her clients to develop individualised plans to support their well-being and personal growth. Her diverse skill set and compassionate approach aim to help clients achieve greater self-awareness, balance, and overall wellness.

GIFTS FOR THE:

Crafty

Florapeutic's Pressed Flower Art DIY Kit is for crafty mums who want to create their unique floral artwork without hassles. Skip the challenges of drying flowers which could take up to weeks when we supply naturally pressed botanicals. What's even better is they were saved from events like weddings!

In the kit:

- 1 Nordic-style double glass wood frame 12x16cm
- 1 pack of pressed botanicals
- 1 pair of tweezers
- 1 paintbrush
- 1 glue
- 1 step-by-step instruction and care card
