## **USPS SHIPPING AGREEMENT**

Date: \_\_\_\_\_

Customer Name: \_\_\_\_\_

Customer #: \_\_\_\_\_

P.O. #: \_\_\_\_\_ Check here if this agreement applies to all orders:

*We do not recommend using U.S. Postal services for shipment of merchandise due to many cases of lost packages, delay of shipments, and damages.*

*For this reason we do not guarantee delivery via USPS. We realize that the costs are significantly lower than other carriers for international shipments, so if you insist, we will ship with USPS. In the event of non-delivery, all claims should be filed directly with the post office.*

*I would like my shipments to be insured (standard USPS charges apply)*

*I decline insurance on my USPS shipments.*

*Please sign this form and fax back to confirm your acceptance of the above agreement.*
