

# FUNCTIONS & EVENTS

Tallboy & Moose is a spectacular neighbourhood brewery, just steps from High Street, Preston, which was recently voted the coolest street in the world.

At Tallboy & Moose we have a variety of great function and event spaces to hire, for anything from farewell drinks for 10 people, to engagement parties of 100.

The logo for Tallboy & Moose is displayed within a white circular graphic. It features the text "Tallboy" in a black, handwritten-style font, with a blue triangle pointing right to the right of the word. Below "Tallboy" is the word "& Moose" in the same font, with a red circle containing a white dot in the center of the letter "o". Underneath "& Moose" is the phrase "make beer" in a smaller, black, sans-serif font. A blue horizontal line is positioned below the word "beer".
