These special cards have an equivalent value to one complete drink set.

FIRST PERSON TO BUILD 5 COMPLETE DRINK SET WINS!

Each player starts with 5 cards in their hand. Choose a player to start. For example, the last person to drink Boba goes first.

Each player has a draw and action phase.

DRAW PHASE:

Draw 2 cards on your turn or 3 with the special draw phase

PREP TABLE PHASE:

Flip a facedown card at the beginning or end of your draw phase.

ACTION PHASE:

Play up to 3 cards on your turn unless otherwise stated on certain cards. You can use the prep table by playing ingredients facedown as one of your turns. You can also reveal facedown cards and it will not count towards your turn.
