Ussé Chinoiserie Yuzu
 Hand painted paper, 18th Century

Zinging with oriental energy, Ussé Chinoiserie Yuzu depicts an astonishing botanical array, myriad leaf formations dance between elegant, patterned urns. Sourced directly from China to adorn the languid walls of Château D'Ussé, the French castle which inspired Sleeping Beauty, this is a truly authentic example of 18th century hand painted Chinoiserie.

Private Collection, Château d'Ussé, Loire
