

Stick-On Label INSTRUCTIONS

Thank you for purchasing Stick-On Labels from EZ Covers.
Here are a few tips for success.

About Our Labels

Made from high quality vinyl that is waterproof.

Plus they are dishwasher, freezer and microwave safe.

Tips for Application

- Please **clean** and **dry** the surface of the item before applying the label.
- Remove the label from its backing and press firmly into place so that there are no air bubbles.
- We recommend allowing the labels **12 hours** to fully adhere and cure.

These labels are not designed for clothes and please order our iron-on labels for clothing.
