TO WHOM IT MAY CONCERN:

This letter is being sent to assure you that Mason City By-Products produces porcine meat and bone meal that is 100% porcine from USDA regulated pork packinghouses. Mason City By-Products blends and packages this porcine meat and bone meal. Our blood meal is also 100% porcine and is processed in the same manner as the porcine meat and bone meal. Mason City By-Products does not allow any ruminant meat meal or ruminant blood meal to enter its plant. Mason City By-Products certifies that all products and/or ingredients sold at this facility do not contain Prohibited Meat and Bone Meal as defined by FDA Regulation 21 CFR 589.2000/2001. Any facility shipping product to Mason City By-Product certifies that no Prohibited Mammalian Meat and Bone Meal or products containing such prohibited materials are processed in those facilities and further certifies that cross contamination did not take place during processing, storage and shipment of those products to Mason City By-Products.

Mason City By-Products sells only four feed ingredients:

- Porcine meat and bone meal
- Porcine blood meal
- Hydrolyzed poultry feathers
- Poultry by-product meal

Mason City By-Products guarantees that its products will not contain any ruminant by-products as specified by FDA rules. Please call me 888-384-7729 if you have any questions.

Sincerely,

Jasper Boyd, Plant Manager
