

DIRTCRAFT

LIVING SOILS

CRITICAL MASS SUPERSOIL

SUPERCHARGED FOR MAXIMUM YIELD

Our most heavily amended living soil blend. Supercharged with bio-stimulants, biochar, microbial foods, preventative natural pest controls and worm castings. Water-only mix for a successful crop with none of the guesswork. Preferred by cannabis growers, designed for maximum yield in flowering plants.

Ingredients: Coconut Coir, Organic Compost, Aged Bark Fines, Wood Fiber, Perlite, Biochar, Worm Castings, Neem Seed Meal, Crab Meal, Fish Bone Meal, Feather Meal, Kelp Meal, Gypsum.
