

ORGANIC CITRIC ACID

10% W/V

INGREDIENTS:

Organic citric acid and water

PRODUCT INFORMATION

Citric acid used for organic crop production to adjust pH levels.

DIRECTIONS FOR USE:

Before to add it make sure about pH initial label. Suggested dilution rate of 0.5%. It is recommended to use a pH meter to make sure that the water is at the desired rate prior to mixing with any product.

PRECAUTIONS:

Avoid getting in eyes or on skin or clothing. Wash hands thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. IF eye irritation persists: Get medical advice/attention.

CONTAINER DISPOSAL:

Dispose of waste material in accordance with federal, state and local environmental laws and regulations.

STORAGE:

Keep container sealed tightly when not in use. Keep product in a cool location away from direct sunlight. Store in temperatures between 5° C (41° F) and 25° C (77° F).

CONDITIONS OF SALE:

Seller warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for purposes stated on the label when used in accordance with directions under normal use and conditions. Crop injury, inefficacy, or other unintended consequences may result from factors, such as weather conditions, presence of other materials, or the manner of use or application, which are beyond the control of seller. In no case shall seller or its affiliates be liable for consequential, special or indirect damages resulting from the use, handling, or shipping of this product. No warranty is expressed or implied, including warranty of merchantability or fitness for a particular purpose.
