Guaranteed Analysis

	w/w
Total Nitrogen (N).....	5.0%
5.0% Water Soluble Nitrogen	
Magnesium (Mg).....	8.0%

Derived from Magnesium Sulfate and Vegetable Protein Hydrolysate.

Instructions for use: Apply 1-2 lbs. of Keylamax[®] Magnesium Organic per acre during early stages of flowering and active growth. Apply at 10 to 14 day intervals during active stages of growth. Please consult with your local agronomist or Mil Agro[®] representative for specific recommendations according to crop.

WARNING: Do not mix Keylamax[®] Magnesium Organic with any copper based fungicide, products containing EDTA or EDTA derivatives or products that tend to have phytotoxic effects. **CAUTION:** This product contains more than 0.001% Molybdenum and application of this product may result in forage crops containing levels of Molybdenum which are toxic to ruminant animals. Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.htm>

Warranty Statement: The manufacturer warrants that this product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with the directions under normal conditions of use. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials or the manner of use or application, all of which are beyond the control of the manufacturer. In no case shall the manufacturer be liable for consequential, special or indirect damages resulting from the use or handling of this product. The manufacturer makes no warranties of merchantability or fitness for a particular purpose nor any other express or implied warranty except as stated above.

KEEP OUT OF REACH OF CHILDREN: Harmful if swallowed. **WARNING:** This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. Refer to safety data sheet. **WARNING:** Causes skin irritation. Avoid contact with skin, eyes, open cuts, or sores. In case of contact, flush with water. Get medical attention for eyes. Use only as directed.
