

SCS Global Services does hereby certify that an independent assessment has been conducted on behalf of:

New Country Organics

801 2nd Street, Waynesboro, VA, United States
211 5th Street, Lubbock, TX United States

has been independently evaluated according to the requirements of the USDA National Organic Program (NOP) and as a result has been recognized as an organic

Handler (Processor)

in compliance with applicable requirements of the NOP Rule (7 CFR 205). The certification continues in effect until surrendered by the organic operation or suspended or revoked by the certifying agent, the State organic program's governing State official, or the Administrator.

Products: See Addendum:
