

Prilled Sulfur
Azufre Granulado

Use to grow superior flowers, vegetables, herbs and foliage.

True Organic™ Prilled Sulfur not only supplies sulfur to plants, it is used to lower soil pH, resulting in higher availability of micronutrients, making it beneficial for overall growth, flowering and fruiting.

GUARANTEED ANALYSIS **F2192**
Sulfur (S).....99.9%

Derived from: Elemental Sulfur.

In Mississippi this product is classified as a low-analysis fertilizer.
