1 Quart (946 ml)

# Pest Out<sup>®</sup>

**Concentrate**

Pest Out<sup>®</sup> is a natural product for control of a variety of common pests on garden plants. Pest Out<sup>®</sup> is made from all natural, food grade ingredients so it is ideal to use on vegetables and other plants.

**DIRECTIONS FOR USE: SHAKE WELL BEFORE USE.**  
**This product may separate into layers after prolonged storage. This is normal.**

Mix 1.5 oz (3 tablespoons) of Pest Out<sup>®</sup> concentrate per one gallon of spray water. Apply enough to cover the entire surface of infested plant. Repeat application at 7-10 day intervals or as needed. Coverage is essential to establish control. The use of a spreader/sticker such as SaferGro Natural Wet<sup>®</sup> may increase efficacy of treatment.

**CAUTION:** Pest Out<sup>®</sup> contains oil and may leave marks on some fruits, especially pears. Test the product in small area before spraying large areas.

**STORAGE AND DISPOSAL:** Store in a cool, dry place. Dispose of properly. Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**PRECAUTIONARY STATEMENTS** Avoid contact with skin, eyes or clothing. In case of contact, immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists.

**Personal Protective Work Clothing:** Applicators and other handlers of this product must wear: Long sleeved shirt and pants, shoes and socks, protective eyewear and gloves.

This product is exempt from registration with the Federal EPA under section 25 (b) of FIFRA. Do not apply to seedlings or very young plants. Do not apply to run off. Do not apply at less than 7 day intervals. Pest Out<sup>®</sup> is suitable for most plants. Always test a small area before large scale application.
