

Brandt® Ecotec® Plus

Sustainable Insect and Mite Control

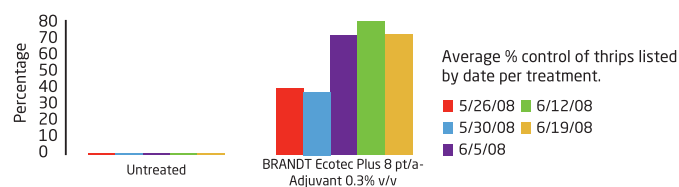

BRANDT ECOTEC PLUS is a broad spectrum, contact insecticide/miticide used to control aphids, thrips, whiteflies, mites, cabbage looper, armyworm and other pests on a wide range of crops. The unique dual-mode of action provides quick kill and control to all stages of insect development.

The Advantages of BRANDT ECOTEC PLUS

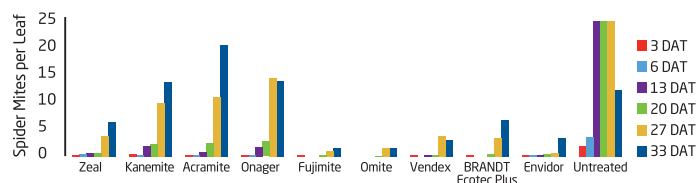

- Zero REI or PHI. May be applied throughout the season up to day of harvest
- OMRI Listed, NOP compliant, FIFRA exempt pesticide
- Compatible with most conventional adjuvants, fertilizers and pesticides
- Easy on beneficial insects
