## Argestes

Emily Greene

Page 4 / column 1

### Under "Join strap to bag"

\*Holding bag sts on size C needle in left hand, and strap sts on size A needle in right hand (ensuring strap is not twisted), slip 5 i-cord sts from size A circ to size C circ. Using MC yarn attached to i-cord, bind off all sts from BOR to next marker using 5-stitch i-cord bind off (~~omitting cast on step~~), ending with 5 sts on RH needle and marker on LH needle. \* Remove marker, slip next 32 sts to stitch holder or waste yarn, remove next marker.

Leaving rem bag sts on hold on size C needle and working with size A needle only across 5 i-cord sts, work 5-stitch i-cord for second strap until pc meas 24" [61 cm] or desired length.
