BUXUS BLIGHT FIGHTER 200ml

ACTIVE INGREDIENT: contains 400 g/litre phosphorous acid as the mono and di-potassium salts in the form of a soluble concentrate.

FEATURES: Grosafe Buxus Blight Fighter is an easy to use foliar spray and soil drench providing protectant action. It is long lasting and is easily absorbed into the foliage and root system, in turn controlling, preventing and enhancing the plant's immune system. For added protection, we recommend 2-3 extra sprays of **Grosafe FreeFlo™ Copper** and **Grosafe EnSpray 99** 7 days after the first Buxus Blight Fighter treatment. This will treat fungal infestations (ie black spot, leaf spot and sooty mold) and insects (ie. aphids, scale).

DIRECTIONS FOR USE:

PLANTS	PROBLEM	APPLICATION RATE	COMMENTS
Buxus, Roses and Ornamentals	Blight and dieback, phytophthora and pythium root rots	6ml/ 1 L water	Spray every 30 days during growing season (Sept - March). Ensure complete foliar coverage to point of run off.
Roses	Downy mildew	6ml/ 1 L water	Spray at signs of disease every 30 days during spring (Sept - Nov).
Buxus, Roses and Ornamentals	Transplant Stress	6ml/ 1 L water	Gently soak the soil around the roots then plant. Recommended to combine with Grosafe BioPower Seaweed and Organic Root-Gro for increased benefit during transplant.
Lawn/Turf	Rust	6ml/ 1 L water	Apply at first signs and repeat in 4 weeks.
Succulents	Rust	6ml/ 1 L water	Apply at first signs and repeat in 4 weeks.

HAZARD CLASSIFICATION: Eye irritation Category 2, Harmful to aquatic organisms.

PERSONAL PROTECTION: Avoid contact with skin and eyes. Avoid inhalation of spray mist. Do not ingest. Always wear protective clothing and gloves when applying this product. Do not eat, drink or smoke while using this product. Wash hands, face and exposed skin thoroughly after handling. Take off contaminated clothing and wash before reuse. Use only outdoors or in a well ventilated area. Avoid release to the environment.

STORAGE: Keep out of reach of children. Store in original container, tightly closed and away from foodstuffs. Store in a cool dry well ventilated area avoiding sunlight and extreme temperatures. Shelf life: When stored appropriately this product should show no significant degradation for two years from date of manufacture. Contact your supplier for further information about the use of any product that is older than this.

SPILLS AND DISPOSAL: When dealing with spills wear personal protective clothing and equipment as described in the PERSONAL PROTECTION section. Collect in labelled drums that can be sealed for safe disposal. Deal with all spillages immediately. If contamination of drains, streams, watercourses, etc. is unavoidable, warn the local water authority.

PRODUCT DISPOSAL: Dispose of this product only by using in accordance with this label, or at a suitable landfill.

CONTAINER DISPOSAL: Triple rinse empty container and add residue to mixture. Dispose of rinsed container in recycling. Do not use for any other purpose.

SAFETY DATA SHEET: A safety data sheet is available from Grosafe Chemicals Ltd.

FIRST AID: If exposed or concerned, get medical advice, call a doctor or the National Poisons Centre (0800 764 766) **IF IN EYES**, immediately flush with plenty of water for at least 15 minutes. Remove contact lenses if present and easy to do after the first few minutes and continue rinsing. **IF ON SKIN**, wash with plenty of soap and water. If skin irritation occurs, get medical advice. **IF INHALED**, remove to fresh air, and keep at rest in a position comfortable for breathing. **IF INGESTED**, do NOT induce vomiting. Rinse mouth. Drink two glasses of water or milk. Get medical advice if feeling unwell.

EMERGENCY RESPONSE 0800 CHEMCALL: 0800 243 622

BEST PRACTICE: Cut back dead material using sterile equipment. Ensure you clean equipment between cutting each shrub. Clear all leaf litter and destroy. Use solution within 24 hours of mixing.

PRECAUTIONS: Do not apply this product on crops that will be consumed as food by humans or animals.

MIXING: Partially fill knapsack or watering can with water, add Buxus Blight Fighter and stir. Add **Grosafe BioPower Seaweed** and **Organic Root-Gro** next then stir. Top up with the required amount of water.

Approved pursuant to the HSNO Act 1996, No HSR000732
