# GROVENTIVE® GARDEN 200 ml

**ACTIVE INGREDIENT:** Contains 15g/litre spirotetramat in the form of a suspension concentrate.

**DIRECTIONS:** Shake well before use. Pour the measured quantity of GroVentive® Garden into a sprayer filled with half of the required water and mix well. Enspray 99® Crop Oil at 0.5 ml/litre can be added to improve efficacy. Fill the sprayer with the required amount of water to final volume. For enhanced performance and efficacy use with Grosafe EcoSpread®.

**DIRECTIONS FOR USE:**

PLANTS/CROP	PESTS	DOSE RATE/ litre of water	APPLICATION TIME / COMMENTS
Pot Plants, Ornamentals, Roses, Flowers	Aphids, Mealy bugs, Leafhoppers, Psyllids, Scale, Mites, Thrips, Spittlebugs, Whiteflies	10ml/litre	Apply GroVentive® Garden prior to establishment of high pest populations and reapply on an as needed basis. Apply when pests first appear or when damage is first noticed. Spray thoroughly. The addition of Enspray 99® crop oil will improve efficacy. Reapply at 14-28 day intervals, if needed. With a maximum 4 sprays across 6 months.

WARNING KEEP OUT OF REACH OF CHILDREN

**HSNO CLASSIFICATION:**

Skin sensitisation Category 1, Reproductive toxicity Category 2, Designed for biocidal action.

**WARNING:** May cause sensitisation from prolonged skin contact. Suspected of damaging fertility or the unborn child from repeated oral exposure.

**ECOTOXIC:** Harmful in the terrestrial environment. Do not apply directly onto or into water. Take all reasonable steps to ensure the product does not cause any significant adverse effects to the environment beyond the application area.

**PERSONAL PROTECTION:** When mixing or using wear gloves. Do not breathe spray mist. Wash hands and face after use.

**STORAGE:** Store product in original container, tightly closed, in a cool, dry place. Keep out of reach of children, and away from foodstuffs. Shelflife: When stored appropriately this product should show no significant degradation for two years from date of manufacture. Contact your supplier for further information about the use of any product that is older than this.

**SPILLS AND DISPOSAL:** When dealing with spills wear personal protective clothing and equipment as described in the PERSONAL PROTECTION section. Avoid contamination of any water supply with product or empty container.

**PRODUCT DISPOSAL:** If possible dispose of by using according to the label, otherwise dispose of in an approved landfill.

**CONTAINER DISPOSAL:** Triple rinse empty container and add rinsate to the spray tank.

**GroVentive®** has a high level of safety to bees but it is recommended not to spray when bees are actively foraging.

**SAFETY DATA SHEET:** A safety data sheet is available from Grosafe Chemicals Ltd.

## **MANAGEMENT CONSIDERATIONS**

Not to be used in agriculture or for wide dispersive use.

Keep people and pets away from treated area for at least 24 hours after application.

Resistance to this insecticide could develop in some situations from repeated use. To minimise this risk use strictly in accordance with label directions. Do not apply more than 4 times across 6 months.

Approved pursuant to the HSNO Act 1996, No HSR101477  
See [www.epa.govt.nz](http://www.epa.govt.nz) for approval conditions

**WARRANTY:** This formulation is warranted to contain the specified active ingredient within accepted analytical tolerance when packed. The user bears the risk for damage resulting from factors beyond the manufacturer's control. The manufacturer declines all liability for damage resulting from improper storage or use of the product.
