STATE OF THE ART

COMPOSITE SAFETY PARTITIONS

COMPOSITE SAFETY PARTITIONS

BUILT TOUGH

- › Built and tested to meet the highest safety standards in North America
- › Maximum impact resistance
- › Thermally stable in any weather conditions

MADE FOR COMFORT

- › Contoured design allows for full seat travel and recline
- › Tight fit regulates heating and cooling in the cab
- › Thick composite material dampens noise from the cargo area for a quiet ride

EFFICIENT DESIGN

- › Contoured shape ensures there is no loss of floor space in the cargo area
- › Grab handle included for easy access up into the vehicle
