

**EV**  **READY**

EXTEND THE RANGE OF YOUR  
E-TRANSIT WITH RANGER DESIGN'S

# DRILL FREE FLOOR

**RANGER**<sup>TM</sup>  
DESIGN

# THE PERFECT FIT FOR YOUR ELECTRIC VEHICLE

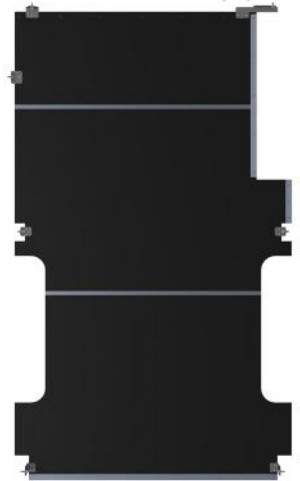

Ranger Design's unique Drill Free Floor is designed to offer the best fit for your van. As sturdy and effective as a regular floor, it simply offers more benefits for your E-transit!

## DRILL FREE

Ranger Design's floor is a new concept that offers a drill free option to avoid hitting any wiring that runs just below the surface of your vehicle's OEM floor.

## EASY INSTALL

Due to the drill-free advantage, the install of the floor is quick (half the time of any other floor) and simple. This option also ensures a great resale value for your vehicle in the future, as it leaves no permanent damage.

6541-FTS

Currently compatible with the E-Transit 130", 148" and 148" EXT  
**NEW applications coming soon!**
