# About the author

BONJOUR! I'm Tia, an elementary French Immersion teacher from Ontario, Canada. I'm also the owner of Parfaitement Parnell, a small business where I create modern & engaging resources for French teachers and parents. Growing up as a student in the French Immersion program, I have first-hand experience with learning a second language and am an advocate for creating positive experiences in the classroom. I've collaborated with many organizations including Canadian Parents for French, Cricut Canada, Staples Canada and Maple Leaf to create engaging educational content. I'm passionate about creating French resources, education and connecting with other teachers.
