

SHERPA™ 2.0

**RACK PACKAGING IS AN ASSEMBLY
FIXTURE. READ UNBOXING
INSTRUCTIONS TO EASE ASSEMBLY.**

Parts:

Rear Tray Mount

Inner Tray Assembly

Pivot Handle

Lock Cable

Outer Tray Assembly

Pivot Assembly

Front Tire Safety Strap

2x M10x450 Bolt with lock washer

Included in the bag:

M10x95 Bolt

2x M10 Washers

M8x45 Bolt

M8 Lock Washer

M10 Nut

3x Lock Keys
and Bottle Opener

6mm Hex Key

Hitch Pin/8mm Hex Key

Hitch Pin Lock

17mm/19mm
Wrench

Unpacking and assembly instructions.

STEP 1. Remove parts box and bracing. Open parts box.

STEP 2. Remove trays. **DO NOT** remove hitch assembly.

STEP 3. Place trays into build position.

STEP 4. Assemble trays.

Parts Needed:

x1 Rear Tray Mount

NOTE: Tighten to 15ft-lbs(20Nm), alternating bolts between each turn. Excessive tightening will damage the rack.

AMSO: Apriete a 20Nm, alternando entre los pernos de cada vuelta. Tightening excesivo puede dañar el bastidor.

AVIS: Serrer à 20Nm, en alternance entre les boulons à chaque tour. Tightening excessif endommagerait le rack.

STEP 5. Install rear tray bolt.

Parts Needed:

x1 M10x95 Bolt

x1 M10 Locknut

x2 M10 Washer

It may be necessary to align rear tray bolt holes. Simultaneously **press down** on rear tray and **pull upward** on hitch shank to align M10x95 bolt hole.

STEP 6. Install pivot handle.

Parts Needed:

x1 M8x45 Bolt

x1 M8 Lock Washer

x1 Pivot Handle/Pedal

NOTE: After first use, check the main tray bolts for loosening, and re-tighten if needed. Max 15ft-lbs

AVISO: Después del primer uso, compruebe las principales pernos bandeja por aflojamiento, vuelva a apretar si es necesario. Max 20Nm

AVIS: Après la première utilisation, vérifiez les boulons principaux de plateau pour descellement, et resserrer si nécessaire. Max 20N m

Installation instructions.

STEP 1. Install into hitch receiver.

STEP 2. Attach the locking hitch pin. Turn the knob to tighten the hitch cam.

Loading bicycles.

STEP 1. Pivot the tray assembly down, using the pivot handle to release the tray.

STEP 2. Open the front tire cradles.

NOTE: Keep front tire cradles folded down when not in use.

STEP 3. Fold out the front tire hooks.

NOTE: Keep front tire hooks folded in when not in use to reduce the chance of damage to the hook arms.

STEP 4. Position the front tire hook against the tire and as close to the fork as possible.

NOTE: Proper placement of the tire hook is critical to securing the bicycle to the rack. The tire hook should be as close to the fork as possible.

AVISO: La colocación correcta del gancho de los neumáticos es fundamental para asegurar la bicicleta al bastidor. El gancho de los neumáticos debe ser lo más cerca del tenedor posible.

AVIS: Le positionnement correct du crochet des pneus est essentielle pour assurer la bicyclette à la crémaillère. Le crochet de pneu doit être aussi proche de la fourche que possible.

STEP 5. Ensure rear bicycle tire is properly seated in the rear cradle. Feed strap through ratchet pawl and pull strap down to tighten.

NOTE: When loading bicycles with 20"-24" front tires an adapter must be used. Please contact Kuat Racks directly by calling toll free 1(877)822-5828, or by emailing us at info@kuatracks.com and a 20"-24" adapter kit will be provided.

20"-24" Adapter Kit

NOTE: Front Tire Safety Strap must be used when driving over rough terrain or with bicycles 35 lbs or heavier.

AVISO: Frente Correa de seguridad del neumático debe ser utilizado cuando se conduce por terrenos accidentados o con las bicicletas 15.9 kgs o más pesados .

AVIS : Front Tire Sangle de sécurité doit être utilisé lors de la conduite sur un terrain accidenté ou avec des bicyclettes 15,9 kg ou plus lourds .

PARTS NEEDED :

x1 Front Tire Safety Strap

NOTE: If you wish to place the tire hook up to 1" (25mm) away from the fork, you must use the Front Tire Safety Strap. Caution must always be taken to ensure each bicycle is secured on the rack before any travel.

Additional Notes.

Locking bicycles.

Loop the lock cable around the frame(s) and insert the latch tip into the lock on the outside tray.

Parts
Needed:

x1 Lock Cable

NOTE: With the tire hooks folded down, the tire hook next to the pivot handle can be used to gain leverage over the pivot handle making it easier to disengage the pivot.

NOTE: The rack can be tilted away providing additional clearance for trunk or rear hatch access.

AVIS: Le rack peut être incliné loin fournissant jeu supplémentaire pour le tronc ou l'accès de hayon.

AVISO: El bastidor se puede inclinar de distancia proporcionando despacho adicional para el tronco o el acceso escotilla trasera.

Tips and Tricks.

- Periodically check all nuts and bolts for proper tightness, not doing so can lead to premature wear or rack failure.
- Lubricate the lock mechanisms using a light oil. Keep the cover on the hitch pin lock at all times.
- The 8mm hex key on the hitch pin can be used to tighten and loosen the cam system.
- Keeping your rack clean will help prevent corrosion and keep the rack working correctly for years.
- The pivot handle is also designed to be used as foot pedal when lowering the trays.
- Make sure the bicycles' tires are properly inflated and free of leaks. Bicycles can become loose if a tire deflates while in the rack.

WARNINGS

- Follow instructions for proper assembly, mounting and loading procedures.
- Check tightness of all bolts and screws periodically.
- Make sure the rack and your vehicle receiver are in good working condition before each use.
- Do not use rack off-road.
- Do not use hitch extenders with this product.
- Do not use rain or wind-covers or tarps with this product.
- Place the front tire clamp next to the front fork.
- Do not take through automatic carwash.
- Do not use front tire bicycle fenders with this product
- Front Tire Safety Strap must be used when driving over rough terrain or with bicycles 35 lbs or heavier.
- If the ratchet arm and/or tire tray are directly in front of vehicle's exhaust, there is a risk of the plastic parts melting. Consider purchasing our Hi-Lo Pro accessory to help adjust the rack height and avoid rack damage.

If you have questions or problems with your rack, please contact Kuat Racks directly by calling toll free 1(877)822-KUAT, or by email: info@kuatracks.com.

ADVERTENCIAS

- Revise el apriete de todos los pernos y tornillos de forma periódica.
- NO LO USE EN TODO TERRENO.
- Siga las instrucciones para un ensamblaje propio, procedimientos de montaje y procedimientos de carga.
- Asegúrese que el portabicicletas y el receptor de su vehículo estén en buenas condiciones antes de cada uso.
- No use ganchos extensibles con este producto.
- No use cubiertas o forros para lluvia o viento con este producto.
- Ponga la tijera de la llanta frontal del lado de los brazos de carga frontales.
- No utilice guardabarros bicicleta deneumáticos delanteros con este producto.
- No lo pase a través de un lavado de autos automático.
- Frente Correa de seguridad del neumático debe ser utilizado cuando se conduce por terrenos accidentados o con las bicicletas 15.9 kgs o más pesados

Si tiene usted alguna pregunta o problema con su portabicicletas, por favor contacte a Kuat Racks directamente llamando a nuestro número gratuito 1(877)822-KUAT, o por e-mail: info@kuatracks.com.

AVERTISSEMENTS

- Vérifier le serrage des boulons et des vis périodiquement.
- NE PAS UTILISER À L'EXTÉRIEUR DU RÉSEAU ROUTIER (OFF-ROAD).
 - Bien suivre les instructions de processus d'assemblage, montage et chargement.
 - S'assurer du bon fonctionnement du rack et du véhicule avant l'utilisation.
 - Ne pas combiner ce produit avec des rallonges de l'attache-remorque.
 - Ne pas utiliser les housses contre la pluie ou le vent, ni les bâches avec ce produit.
 - Placer le crampon du pneu avant à côté de la fourche avant du vélo.
 - No utilice guardabarros bicicleta de neumáticos delanteros con este producto.
 - Ne pas laisser le rack sur le véhicule lors des lavages automatiques (car wash)
 - Front Tire Sangle de sécurité doit être utilisé lors la conduite sur un terrain accidenté ou avec des bicyclettes 15,9 kg ou plus lourds.

Si vous avez des questions ou si vous éprouvez des problèmes avec votre rack, nous vous à nous contacter chez Kuat Racks au numéro sans frais: 1(877)822-KUAT ou par e-mail: info@kuatracks.com

Küat Racks Limited Lifetime Warranty

Küat honors the warranty on all Küat brand products for original owners of the product. Warranty is not transferable.

If a Küat rack that is covered by the terms of this warranty and is determined by Küat, to be defective, Küat will repair or replace the defective parts. Küat may choose in some cases to offer the owner a refund of up to the original purchase price of the product in lieu of repairing or replacing the product.

The Küat warranty does not cover any conditions that are beyond Küat's control. This includes, but is not limited to, the following: excessive loading, improper assembly, improper installation, theft, or any use that is not consistent with the user guide that is included with the product.

The Küat Warranty does not cover normal wear and tear, scratches, cosmetic oxidation, accidents, or damage due to unauthorized repairs or modifications.

If you are the original owner of a defective Küat product, please contact Küat at 1(877)822-5828. A Küat representative will work to quickly resolve the problem. If repairs are necessary, the owner will be responsible for the cost of returning the product to Küat for repair. No product should be returned to Küat without prior authorization from Küat staff.

LIMIT OF LIABILITY

THIS WARRANTY ONLY COVERS REPAIR, REPLACEMENT OR REFUND FOR THE COVERED KÜAT PRODUCT. ANY DAMAGE TO VEHICLE OR PROPERTY IS NOT COVERED BY THIS WARRANTY. PERSONAL INJURY IS NOT COVERED BY THIS WARRANTY.

LIMITATION OR EXCLUSION OF INCIDENTAL DAMAGE IS NOT ALLOWED IN ALL STATES SO THE ABOVE LIMITATIONS MAY NOT APPLY.

Küat respeta la garantía de todos los portabicicletas Küat mientras el comprador original sea el propietario de dicho producto. Si el comprador original vende o de alguna otra manera cede el producto a otra persona, la garantía será revocada.

Si un portabicicletas Küat que esté cubierto por los términos de esta garantía está defectuoso, Küat reparará o reemplazará las partes defectuosas a su propio criterio. Küat puede optar en algunos casos por ofrecer el reembolso del precio de compra del producto en lugar de repararlo o de reemplazar las piezas defectuosas.

La garantía Küat no cubre ninguna condición que esté más allá del control de Küat. Esto incluye, más no limita, carga excesiva, ensamblaje impropio, montaje impropio, robo o cualquier uso que no sea consistente con las instrucciones que están incluidas con el producto o que están disponibles para el usuario.

La garantía Küat no cubre el uso y desgaste natural, raspaduras, oxidación cosmética, accidentes, operación ilegal del vehículo o modificaciones o reparaciones no autorizadas.

Si usted es el propietario original de un producto Küat defectuoso, por favor contacte a Küat al 1(877) 822-5828. Un representante de Küat le atenderá para resolver su problema. Si son necesarias reparaciones, el propietario será responsable por el costo del envío del producto a Küat para su reparación. Ningún producto deberá ser enviado a Küat sin previa autorización de un agente de Küat.

LIMITE DE RESPONSABILIDAD

ESTA GARANTIA SOLO CUBRE REPARACIONES, REEMPLAZOS O REEMBOLSOS PARA EL PRODUCTO DE KÜAT CUBIERTO. CUALQUIER DAÑO AL VEHICULO O PROPIEDAD O LESION NO ESTA CUBIERTA POR ESTA GARANTIA.

LIMITANTES O EXCLUSIONES DE DAÑO ACCIDENTAL NO ESTAN PERMITIDAS EN TODOS LOS ESTADOS, POR LO TANTO ESTAS LIMITANTES PODRIAN NO APLICAR.

Küat honore la garantie de toute sa gamme du support de la marque Küat tant qu'il demeure la propriété du propriétaire original. La garantie prend fin lorsque le propriétaire original se départit du produit en le vendant ou en le transférant à une autre personne.

Si un article Küat fait défaut alors qu'il est sous garantie, Küat réparera ou remplacera, à sa discrétion, la ou les pièces défectueuses. Küat pourrait choisir dans certains cas d'offrir un remboursement du prix à l'achat au lieu de réparer ou de remplacer la pièce défectueuse.

La garantie Küat ne couvre pas les conditions hors du contrôle de Küat. Celles-ci incluent mais ne sont pas limitées à un chargement excessif, un assemblage erroné, un mauvais montage, le vol ou tout usage qui n'est pas conforme aux instructions (incluses avec le produit) accessibles à l'utilisateur.

La garantie Küat ne couvre pas l'usure normale, les égratignures, l'oxydation, les accidents, l'usage illégal d'un véhicule ou les réparations ou modifications non-autorisées.

Si vous êtes le propriétaire original d'un produit Küat défectueux, prière de contacter Küat au 1-877-822-5828.

Un représentant Küat travaillera à la résolution du problème. Si des réparations sont nécessaires, l'acheteur doit assumer les frais d'envoi pour faire parvenir le produit Küat à l'entreprise. Ne retourner pas un produit Küat tant que vous n'obtenez pas l'autorisation d'un représentant de Küat.

LIMITE DE RESPONSABILITÉS

LA GARANTIE COUVRE SEULEMENT LA RÉPARATION, LE REMPLACEMENT OU LE REMBOURSEMENT D'UN PRODUIT KÜAT SOUS GARANTIE. LA GARANTIE NE COUVRE PAS LES DOMMAGES AU VÉHICULE, LES DOMMAGES À LA PROPRIÉTÉ NI LES BLESSURES.

LES RESTRICTIONS OU LES EXCLUSIONS CONCERNANT LES DOMMAGES ACCIDENTELLES NE SONT PAS ADMISES DANS TOUS LES ÉTATS OU CES RESTRICTIONS PEUVENT NE PAS S'APPLIQUER.

Küat RV Compatibility Warning

Küat's receiver hitch-mounted bicycle racks may be used with some recreational vehicles (RVs) as described below. Many types of RVs subject the rack and bicycles on it to high forces and extreme movements. As a result, Küat does not recommend using our receiver hitch-mounted products on RVs that will likely expose the rack to unacceptable conditions.

Küat's standard warranty will cover use of any of its 2-inch receiver hitch-mounted bicycle racks on motorhomes (as defined in 49 C.F.R. 571.3) satisfying all of the following requirements:

The receiver hitch is directly attached to the motorhome chassis, not just to the bumper;

The rear-most point of the receiver hitch where the bicycle rack will be attached is no more than 64 inches from the rear axle of the motorhome; and

The vehicle is a class B type motorhome as described below.

Class B type motorhomes are commonly known as van conversions and comprise a completed van-type vehicle which has been altered to provide temporary living quarters. Class B type motorhomes have a gross vehicle weight rating of 10,000 lbs or less.

In addition, the 2 inch receiver Transfer™ v2 and the 2-inch receiver Piston Pro X may be used on RVs (both motorhomes and trailers) satisfying all of the following requirements:

The receiver hitch is directly attached to the RV chassis, not just to the bumper; and

The bicycle rack is in the 2-bike configuration with no add-on unit attached.

Please check the Warnings section of the User Guide for load weight limits applicable to your rack when used on an RV. Lower weight limits apply.

Even if the conditions above are met, any RV may be operated in a way that will expose Küat's products to conditions that they are not designed to handle. The operator of the RV is responsible to operate the RV in a manner that will not overload the rack, such as by excessive speed over rough roads or speed bumps, rapid turning movements, driving the RV over changes in gradient that will bring the rack in contact with the ground, or other similar actions.
