2Thumb “The Grip That Wins” captures Top Finishes on both the PGA TOUR and DP WORLD TOUR

(NOVI, MI) - 2Thumb, “The Grip That Wins”, announced today that they had Top Finishes on both the PGA TOUR and DP WORLD TOUR this past weekend.

On the PGA TOUR, 2THUMB’s SNUG2 27 grip was used to record rounds of 69, 68, 66 and 70 to finish at 7 under par and capture a T-12th Place Finish at the Honda Classic, held at PGA National Course in Palm Beach Gardens, Florida. The Tour Player ranked 10th in Strokes Gained Putting (5.486 total) and collected a paycheck for \$186,900.00.

On the DP WORLD TOUR, at the Hero Indian Open, the same SNUG2 27 grip was used to record rounds of 73, 71, 67 and 69 to finish at 8 under par and capture a T-4th Place Finish. He ranked 1st and averaged just 1.5 Putts Per GIR for the 2nd and 3rd rounds of the tournament and collected a paycheck for €87,187.35

ABOUT THE SNUG2 27

The SNUG2 27 has proven to be one of the most popular grips in our range and is a common choice amongst professional golfers and with numerous wins. All 'SQ' models have the same depth and width and are 59mm longer than the Snug Tour models providing greater versatility in gripping styles. Featuring a smooth soft and flat front to ensure consistent grip alignment with a rounded underbelly which sits perfectly in the lifeline of your palm delivering the ultimate in feel and feedback. With Dimax technology running down both sides of the grip to ensure traction when needed to help you sink more putts. This incredibly versatile grip will accommodate all of today's gripping styles, from Conventional, Claw, Left hand low, Prayer etc..

ABOUT 2THUMB GRIP

2Thumb Grip, The Original Flat Top Grip since 2004, strives to make putting easier for golfers of all levels. They produce a range of ergonomically designed putter grips that aid grip alignment, help prevent grip twist and ensure an easily repeatable stroke.

At 2Thumb, we believe that putting is the single most important skill in golf and it's our passion. The connection point or contact area between the player and the putter is where our innovative and patented designs make a real difference to players of all levels.
