2Thumb “The Grip That Wins” captures a T-11th Place Finish on the PGA TOUR at Sentry Tournament of Champions

(NOVI, MI) - 2Thumb, “The Grip That Wins”, announced today that they had a T-11th Place Finish on the PGA TOUR at the Sentry Tournament of Champions held at the Plantation Course in Kapalua, Maui, Hawaii this past weekend.

2Thumb’s SNUG TOUR 30 grip was used by the PGA Tour Player to record rounds of 71, 65, 70 and 66 to finish at 20 under par. He ranked 3rd in Putts Per GIR with a 1.639 average. He collected a paycheck for \$292,500.00.

ABOUT THE SNUG TOUR

Widely used by professional golfers and with numerous wins, The Snug range is a tour proven favorite. The Snug Tour features a smooth soft and flat front to ensure consistent grip alignment, whilst the rounded underbelly sits perfectly in the lifeline of your palm delivering the ultimate in feel and feedback. With Dimax technology running down both sides of the grip to ensure traction when needed to help you sink more putts. This incredibly versatile grip will accommodate all of today’s gripping styles, from Conventional, Claw, Left hand low, Prayer etc..

ABOUT 2THUMB GRIP

2Thumb Grip, The Original Flat Top Grip since 2004, strives to make putting easier for golfers of all levels. They produce a range of ergonomically designed putter grips that aid grip alignment, help prevent grip twist and ensure an easily repeatable stroke.

At 2Thumb, we believe that putting is the single most important skill in golf and it's our passion. The connection point or contact area between the player and the putter is where our innovative and patented designs make a real difference to players of all levels.

2Thumb Grip North America launched officially at the 2022 PGA Merchandise Show this past January where they unveiled two brand new grips, the OCTOTECH and the PISTOL 7E, designed by Darin Dingman, former owner of Super Stroke, who is now heading up operations.
