WATER SPORT VISIBILITY WRISTFLAG

SAFETY BEYOND THE BOAT

HEY WAVE is the first ever water sport safety 'wristflag' creating visibility beyond the boat. HeyWay Unlimited, a family-owned business, collaborated & patented this new industry standard placing safety in your hands.

## RAISE IT. WAVE IT. BE SEEN. BE SAFE!

WATER SPORT VISIBILITY WRISTFLAP

SAFETY BEYOND THE BOAT

A day at the beach shouldn't be filled with anxiety. Parents are able to easily spot their HEY WAVE kids on crowded beaches and while splashing in the waves.

HEY WAVE provides added safety measures for every age user of paddle boards, boogie boards, surf boards, tubes, kayaks, sail boards, and waverunners.
