HEY WAVE

RAISE IT. WAVE IT. BE SEEN. BE SAFE.

The **HEY WAVE Wristflag** is a one-size-fits-all, high-visibility flag (2"x19") comfortably wrapped around the wrist of any water sport participant. In distress situations, the wrist-flag can be easily unwrapped and deployed to alert captains of their location while increasing visibility to oncoming boaters.

Never Lose Another Paddle!

HEY WAVE

LINK UP. BE SEEN. BE SAFE.

The **KEY-LINK FLOAT FLAG** works with any existing kill-switch making the captain compliant with 46 USC 4312, a new law requiring connection to the ECOS (engine cut-off switch) on boats under 26 ft. The bright colored floating foam spool ensures boaters will not lose keys, and the HEY WAVE distress flag (2"x19") may be quickly deployed in emergency situations.

HEY WAVE KEY-LINK FLOAT FLAG

HEY WAVE PN: HWKEY

UPC: 196852934645

MSRP: \$24.99

- 1x HEY WAVE Distress Flag
- 1x Foam Float Spool
- 1x 6" Keychain Lanyard with Swivel Clip and Stainless Key Ring
- 1x 42" Extension Lanyard with Swivel Clip and Stainless Connection Clip
- 1x Cardboard Packaging (4.5"x7.5")

Operation

1. Slide preferred lanyard through Foam Float Spool
2. Link-Up keyed components with Connection Clip and/or Key Ring
3. Tether the 42" lanyard to your wrist, vest, or clothing while connected to your ECOS to comply with 46 USC 4312

HEY WAVE

Safety Innovation

The boating and water sport industry has seen unprecedented growth in recent years as more people escape to the water. However, with overcrowded waterways and inexperienced boaters comes obvious safety concerns.

Since HEY WAVE released the original Water Sport Wrist-flag (C) in early 2022, we have received valuable feedback and new product requests from the water sport community. As a result, HEY WAVE has recently expanded its line of high visibility safety products to include: The Key-Link Float Flag (A), Visibility Bands (B), The Paddle Flag (D), The Ready Rider Safety Pack (E), and The Boat Flag (F). These innovative new products place safety in the hands of all water & paddle sport participants while helping to comply with safe boating regulations. The HEY WAVE Safety Lineup addresses needs in all growing market segments shown below.

Industry Analysis & Retail Opportunities
