## Simple Functional Design

ETP Metal Products Mfg Ltd. is dedicated to Creating Low Maintenance Solutions for Outdoor Living.

The Innovative ETP Alum-Guard Railing System has long since been the premier choice for homeowners, architects, and designers. With several colors, infill pickets, handrail choices, and glass panel options, you are certain to find a combination that is best suited for your porch, deck or commercial property.

Compliment your backyard with a low maintenance Aluminum Pergola, now available from ETP Metals Mfg. Ltd.

With a wide array of aluminum products that can be customized to cater to individual needs, ETP Metal Products Mfg Ltd. will work with dealers to help satisfy their customer requests.
