

THE DO

Hair Rituals

Christophe Robin & Larry King hair treatments

We believe your hair deserves the same care and attention as your skin. That's why we've partnered with hair care Pioneers Christophe Robin Paris and Larry King to create a collection of deluxe and express rituals that deliver professional-grade hair care through high-quality formulations powered by natural ingredients.

Indulge in luxurious hair masks, colour shade treatments, and professional-style hair care regimens. Christophe Robin and Larry King's commitment to scalp care is unmatched in the industry.

You'll leave with an unparalleled professional hair care finish with skincare-inspired solutions that naturally rebalance the scalp and hair.

Whether you indulge in these rituals at The DO Salon or learn how to replicate them at home, we're here to guide you.

Hair and Scalp Wellness: Revitalising Oil Ritual

Who is it for? All hair types

Immerse yourself in pure luxury with our Oil Massage Ritual. Before any treatment or service, we can lavish your scalp and your hair with a beautifying oil scalp massage, allowing you to relax, unwind, and fully enjoy the salon atmosphere.

Let our skilled stylists' gentle touch take you on a journey to complete relaxation. At the same time, you revel in the peaceful setting and invest in your hair's well-being for a rejuvenating experience.

As the oils work their wonders, French lavender and cedarwood essential oils further elevate the experience, promoting peace and calmness.

Rosemary oil reduces scalp inflammation, boosts circulation, and prevents hair loss.

Jojoba seed oil nourishes hair, improving conditioning, strength, shine, and manageability.

Argan oil is rich in vitamins A and E and linoleic acid, protects hair from environmental damage, and enhances elasticity.

Squalane oil controls frizz, boosts shine, and forms a protective barrier on the hair surface.

White lotus flower infused in Monoi de Tahiti softens and smooths hair, giving it a youthful appearance.

Deluxe Balancing Ritual

Who is it for? Dull, sensitive, stressed hair

Indulge in a luxurious experience designed to restore harmony to your hair. This revitalising ritual draws out impurities and pollution, leaving your strands refreshed and rebalanced.

Enriched with purifying thermal minerals and hydrating botanical extracts, this ritual nourishes both scalp and hair, promoting a healthy balance and revitalising dull or sensitive locks.

Mineral-rich thermal mud Balances and purifies the scalp, relieving the sensation of oily roots.

Spirulina supports the scalp's barrier function, protecting against pollution and external aggressors for healthier-looking hair.

Baltic Sea red algae smooths the cuticle, extending the time between washes for longer-lasting freshness.

Aloe vera and Oligosaccharide provides intense hydration, plumping up the hair for a rejuvenated look and feel.

Flaxseed oil nourishes and restores dry hair, enhancing its natural radiance.

Deluxe Regenerative Ritual

Who is it for? Medium to thick, coarse, or dry damaged hair or long hair

Turn back the clock with our Deluxe Regenerative Ritual, crafted to nourish and restore aging hair to its former glory. This rejuvenating treatment is ideal for medium to thick, coarse, or dry damaged locks, delivering intense hydration and repair. Enriched with regenerative oils and strengthening proteins, this ritual leaves your hair looking and feeling revitalised and youthful.

White lotus flower infused in Monoi de Tahiti softens and smooths hair, giving it a brighter, younger look.

French Lavender and Cedar Wood essential oils helps relax while nourishing the hair fibre.

Prickly pear oil leaves the hair feeling fortified and looking rejuvenated.

Guar bean forms a transparent, protective layer on the hair, adding thickness and shielding it from external damage to help smooth frizz.

Pro-vitamin B5 enhances hair with a beautiful-looking shine.

Deluxe Replenishing Ritual

Who is it for? Dehydrated scalp, dry, lacklustre hair

Revitalise your hair with our Deluxe Replenishing Ritual, specially crafted to deeply hydrate and nourish dull locks. Infused with moisturising botanicals and replenishing oils, your hair will feel silky, smooth, and luminous.

Start your ritual with a gentle pre-wash exfoliant, perfect for even the most dry and sensitive scalps. This exfoliant gently eliminates dead skin cells and impurities while providing essential hydration. Next, use our hydrating shampoo, enriched with nourishing oils and moisturising elements, to cleanse and hydrate your hair, restoring its natural shine and moisture. Complete the ritual with our Aloe Vera Melting Mask, a deeply hydrating treatment that rejuvenates your hair, leaving it soft, smooth, and radiant.

Fermented agave juice extract calms the scalp, leaving it refreshed and free from redness.

Aloe vera provides relief and moisture, soothing the hair.

Plant amino acid derivatives aid in absorbing and retaining moisture for softer, silkier hair.

Flaxseed oil adds a natural radiance and illuminates the hair.

Express Volumising Ritual

Who is it for? Fine, flat or thin hair

Experience the immediate transformation as this invigorating treatment deeply cleanses and boosts fine or thin hair and creates denser, thicker, and more voluminous locks. With innovative volumising agents and nourishing botanicals, this ritual delivers instant lift and body, leaving your hair full and luxurious.

Indulge in the luxury of our Express Volumising Ritual, a quick yet effective solution for achieving voluminous hair. It's a pampering experience that doesn't compromise on results.

Pure rassoul Moroccan volcanic clay and exfoliating sugar crystals invigorate the scalp, leaving hair cleansed and naturally volumised.

French rose extracts soothes hair, softens, increases shine, and is rich in vitamin C

Express Colour Enhancing Ritual

Who is it for? All hair types including coloured, bleached or highlighted hair

Revive and enhance your hair colour with our Express Colour Enhancing Ritual. We personalise your experience by selecting the right cleanser for your hair type. This is followed by a rejuvenating shade variation treatment that deeply hydrates, restores, and neutralises unwanted tones, leaving your colour vibrant and refreshed. Formulated with colour-enhancing botanicals and nourishing oils, this ritual is perfect for in-between salon visits or enhancing your natural hue.

Acting like 'make-up for hair, it is a conditioner and treatment in one, revitalising your colour for stunning results every time.

Almond oil rich in conditioning Omega 6, helps to smooth, soften, and add glossy shine to the hair.

Buriti Oil leaves hair feeling nurtured without weighing it down.

Golden Blonde

Glazes strands in a unique blend of golden honey pigments and apricot oil to add warmth and richness.

Warm Chestnut

Glazes strands in a unique dark caramel and cocoa butter pigments blend to help neutralise yellowing and enrich chestnut tones.

Baby Blonde

Glazes strands in a unique blend of iridescent pigments and Florentina Iris to help neutralise brassiness and yellow tones, revitalising the brightness of blonde hair.

Ash Brown

Glazes strands in a unique blend of blue pigments and licorice extracts to help neutralise brassiness and red tones, revitalising the coolness of luminous brown.

Express Reset Ritual

Who is it for? All hair types

Rejuvenate your hair with our Express Reset Ritual, designed to rebalance and revitalise stressed strands. This refreshing treatment exfoliates the scalp and deeply cleanses the hair, removing dirt, oil, and pollution buildup. Infused with purifying sea salt and hydrating botanicals, this ritual leaves your hair feeling light, clean and revitalised.

Express Reset Ritual is perfect for when time is short. It offers a quick yet effective solution to refresh and revitalise hair.

Sea salt crystals gently exfoliates, leaving the scalp feeling refreshed and rejuvenated.

Bisabolol, extracted from the Brazilian candeia tree calms the scalp and provides soothing relief as it cleanses.

Aloe vera and Oligosaccharide provides intense hydration, plumping up the hair for a rejuvenated look and feel.

Flaxseed oil nourishes and restores dry hair, enhancing its natural radiance.
