NAUTICAL GO

STREAMLINED. LIGHTWEIGHT.
READY FOR ADVENTURE.

New for 2023, the **NAUTICAL GO TEN-SIX** and **NAUTICAL GO CRUISER** take affordable adventure to an all-new level. With a minimalist, streamlined design, these lightweight inflatable paddle boards provide a great choice for the on-the-go explorer. Perfect for bikes trips to the beach to cruise some waves or even a short hike for some lake paddling, these boards go wherever you go.

GO SERIES

Comprised of two models, the **NAUTICAL GO TEN-SIX** and **NAUTICAL GO CRUISER**, this series ups the ante on affordable adventure with an all-new design for lightweight portability.

NAUTICAL GO TEN-SIX

This lightweight SUP is the perfect all-around entry board for beginners and intermediate paddlers looking for a versatile board for fun on the water.

NAUTICAL GO CRUISER

With an emphasis on stability, this extra-wide board is perfect for beginners. Lightweight and portable, take it with you to the lake for some SUP yoga or ride some ocean waves.

NOTABLE FEATURES

DURABLE CONSTRUCTION

Offering the perfect combination of speed and stability in a durable package, NAUTICAL inflatable paddle boards feature dual-layer PVC drop stitch material, making them the highest-quality entry-level boards money can buy.

TRAVEL-FRIENDLY PADDLE*

The NAUTICAL **5-Piece Adjustable Fiberglass Paddle** is great for traveling and compact storage, breaking down easily to fit neatly into your backpack for day trips and adjusting to fit your needs.

*Sold separately.

CARRY STRAP

Your board goes where you go with ease and convenience with the included Carry Strap. The padded shoulder strap helps you go the distance in comfort.

NAUTICAL GO TEN-SIX

The **NAUTICAL GO TEN-SIX** inflatable paddle board takes affordable adventure to an all-new level. Its streamlined, lightweight design is perfect for bike trips to the beach to cruise some waves or even a short hike for some lake paddling.

FAQs

How is the NAUTICAL GO Series constructed?

The NAUTICAL GO Series is made with durable, dual-layer PVC drop stitch material. This material is lightweight and sturdy for all your on-the-water adventures.

How are the NAUTICAL GO boards different from the original NAUTICAL boards?

Providing adventure at an affordable price point, both the NAUTICAL GO boards and original NAUTICAL boards are great options for beginner paddlers looking for a quality option that won't break the bank. With a minimalist design and quality build, the NAUTICAL GO boards are ideal for those explorers looking to get on the water with simplicity and convenience in a small package. Because sometimes, less is more.

Do these boards come with a pump?

No, but you can opt to add on either the iROCKER 12V Electric Pump or the all-new Compact Travel Manual Pump. Redesigned to be shorter than your typical SUP hand pump, this single-chamber, dual-action hand pump features removable handles and a removable foot piece, so it fits in your backpack with ease.

How are the GO TEN-SIX and the GO CRUISER different?

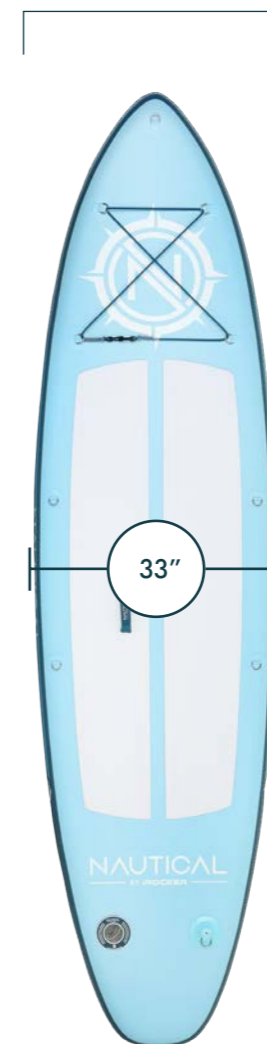

The NAUTICAL GO CRUISER is the wider, more stable cousin of the NAUTICAL GO TEN-SIX board. The TEN-SIX features a weight limit of 240 lbs., while the CRUISER features a weight limit of 275 lbs.

GO SERIES

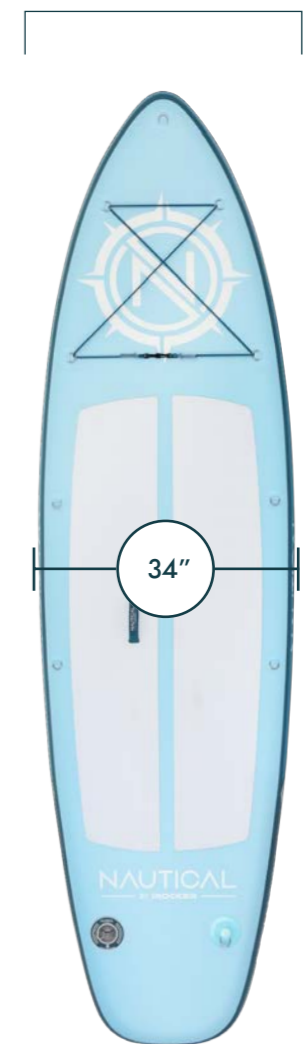

BOARD SHAPE COMPARISON

TEN-SIX

A narrower board allows for more speed when paddling.

CRUISER

A wider board and squared tail provides more stability and weight capacity.

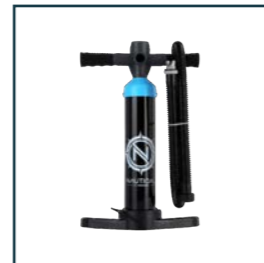

ACCESSORY BUNDLES

BETTER + TOGETHER*

+ 'ESSENTIALS' PACK

Never leave home without your pump and personal flotation device—key accessories to get you on the water and keep you safe.

COMPACT TRAVEL PUMP

Shorter than your typical SUP hand pump, this dual-action hand pump features removable handles and a removable foot piece, so it fits in your backpack with ease.

ONYX BELT PFD

Low profile by design, this life-saving device takes up minimal space and won't inhibit your paddle strokes.

KAYAK ATTACHMENTS

Add versatility to your SUP in a splash with the quick and easy **Kayak Conversion Kit**.*

**Products sold separately.*

+ 'CONVENIENCE' PACK

Spend more time on the water and less time inflating! This pack is all about simplifying your setup so you can get to paddling in half the time.

12V ELECTRIC PUMP

Lightweight and compact, the iROCKER 12V Electric Pump inflates your SUP in 12 minutes or less and will deflate as well.

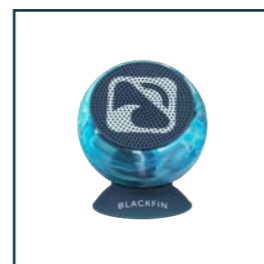

PORTABLE BATTERY

Power your electric pump anywhere you go, as well as charge any USB-compatible devices.

+ 'HANG WITH FRIENDS' PACK

Paddling is better together! Grab a friend and these fun accessories for a memorable time on the water.

VIBE 2.0 SPEAKER

This 100% waterproof Bluetooth speaker powered by Speaqua features a 4GB built-in memory capable of storing up to 1000 songs.

POP-UP COOLER

This versatile pop-up cooler makes carrying food and drinks simple, perfect for adventures that go the extra mile or a close-by picnic on the beach with friends.

BOONIE HAT

Stay cool and covered during long paddle sessions with a wide brim and breathable vents.

+ 'CLEAN & CARE' PACK

Treat your SUP like your best friend! This trio of products helps to extend the life of your favorite iROCKER products.

CLEANING KIT

This formulated spray and scuff eraser combo deep cleans and protects your paddle board, kayak, dock, and hard cooler against damaging UV rays.

BOARD MAT

Protect your board from dirt and scratches while inflating or prepping for storage. This versatile accessory can also be used as a sitting mat or protective cover for your board.

*These are recommended accessories. All products sold separately.
