# Bikinis By Rosie...The Fitting Guide

You've got questions? - I have the answers. Ordering a competition suit can be overwhelming especially as a first time competitor.

Bikinis By Rosie is exclusively handmade in USA and designed by an NPC competitor Rosie, who understands the importance of the properly fitted suit and how it can help you showcase your hard earned physique on show day! each suit is custom-tailored to your specific measurements.

"Design your dream suit and walk the stage with confidence in BBR competition suit. We offer Bodybuilding Competition Suits and Suit rentals for all athletes!"

Divisions:

- Bikini
- Wellness
- Figure/ Physique
- Mens Posing trunks

In the pages below you will find answers to all your questions with detailed descriptions and pictures for your reference.

## Step-by-step on how to order your suit:

**Step 1:** Choosing the color.

- When choosing a color of your suit, consult with your coach
- Order fabric swatches!
- (Optional) Order a posing suit in the same color as you competition suit, posing suits are cut out the same exact way as competition suits, it will help you understand the fit of your future competition suit and as well as how the color suits your skin tone and hair color. Posing suits are used for weekly check-in pictures to prevent your competition suit from excessive wear and tear.
- **UPGRADE AND ADD A PRACTICE SUIT \$100 (see downpayment section)**

Here at BBR we work with several fabric suppliers in United States that carry a large variety of fabrics, please review our fabric choices under FABRICS section and if you don't see the fabric you love please reach out and we will get it ordered for you.
