

Trailer Mount Nitrous Bottle Rack

PART NUMBERS: 03-00001-6, 03-00001-6D, 03-00002-8, 03-00002-8D

INSTALLATION INSTRUCTIONS

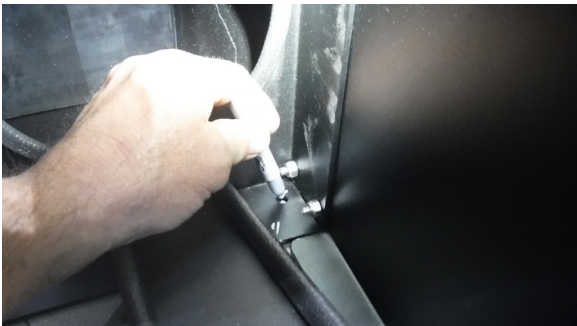

The 860 Performance Trailer Mount Nitrous Bottle Rack is designed to provide a sturdy and rigid mounting option for multiple nitrous bottles in your trailer. If you need any assistance during installation or if you have questions about this battery mounting bracket, call our Tech Help Line at (254) 848-4300.

Note: Installation hardware is not provided with Bottle Rack. Required bolt diameter - 5/16" or 8mm.

Step 1:

Determine the correct mounting location for your bottle rack.

Step 2:

Mark the mounting hole location on the selected mounting surface.

Step 3:

Remove the bottle rack from the mounting location.

IMPORTANT: All appropriate safety equipment (gloves, tools etc.) must be used during the installation of this product(s).

Nitro Dave's LLC accepts NO responsibility for injuries or damages resulting during and/or from the installation of any product(s). All products are intended for off-road use only.
